## Discover Clifton!

Located in Central Texas, a quick 30 minutes northwest of Waco, Clifton's authentic charm is hard to resist! As Clifton has been designated the Norwegian Capital of Texas, you can spend the day visiting our historical Norwegian churches or shop our unique downtown boutiques and antique stores to score a Norwegian memento.

Escaping the crowds for a sample of small-town life will prove very rewarding and totally rejuvenating; plan soon to enjoy fabulous food and drinks and stay a night or several at one of the quaint B&Bs located in or near downtown.

## Art & Artists Abound

**Public Art:** As of one of the 43 Texas Cultural Districts, Clifton is home to the highly renowned Bosque Arts Center, where nationally known artists gather annually for a major show and sale. A walk down Art Alley downtown will amaze you with head-turning murals, and afford you the opportunity for an unlimited photo op. Cruising around you will realize there are many murals throughout this small town—be sure you find the giant flags and the western town backdrop!

**One of a Kind Restaurants:** Featuring more than 25 places to eat and grab coffee or relax with a cocktail, Clifton offers some of the tastiest cuisine in Central Texas. Some of our restaurants have been featured in Texas Highways, drawing people from across the state to sample the fare.

**Locally Owned Shops:** Enjoy easy access to an array of locally-owned shops in Clifton, where you will find one-of-a-kind jewelry pieces, quality clothing, home décor and also interact with the store owners. Perfect shopping opportunity for that special gift!

**Historic Places:** End of the day, catch a movie at the classic CLIFTEX Theatre that opened in 1916 and is a must see stop on Main Street. Market at the Mill is a heavily booked, unique historical event venue, which also houses fabulous clothing and home décor. The Bosque Museum is a surprising find for those who appreciate history and are curious about the Horn Shelter Man, along with many collections from a bygone era—plan on an hour or so to visit.

**Prime Location:** Downtown Clifton is located in the heart of Central Texas just a short drive from the big cities. It won't take long to get to Clifton, but once you are here, you'll quickly want to turn your day trip into a three-day weekend vacation—no visitor is ever ready to go home—we are just too friendly!

## Spotlight on Clifton Civic Organizations

### Clifton Lions Club

Since 1929, Clifton Lions Club has helping hands to citizens of Clifton and the surrounding areas in more ways than the average citizen sees. Less than a decade after the first international convention of Lions International, 20 local business leaders formed Clifton Lions Club to serve the various community needs.

After serving as a “de facto” Chamber of Commerce, Clifton Lions Club organized the official Clifton Chamber of Commerce in 1970 and fostered its growth. For the past nine decades they have supported traditional Lions International causes by collecting and recycling eyeglasses, providing eye screening and eyeglasses to those in need, funding Texas Lions Camp for children with special needs, providing livestock barn renovations for youth and raising funds for Clifton Civic Center upgrades. And this only names a few of the contributions.

In more recent years, the Clifton community has become accustomed to seeing club members selling drinks and candy at local football games as well as serving pancakes twice annually at the Clifton Civic Center. The pancake suppers provide social fellowship for the community. While funding service projects, this pancake supper often serves more than 700 people. For more than 30 years, monies raised in the community through these events have funded scholarships for high school seniors as well as many other endeavors.

In the past five years, Clifton Lions Club has purchased a portable vision screening instrument that allows school children to be tested easily, whether at community gatherings or elementary schools throughout Bosque and surrounding counties. To further facilitate this service, Clifton Lions Club has purchased a climate-controlled cargo trailer to reach more people.

Through countless hours and efforts of the more than 55 current members of the word Clifton Lions Club, “We Serve” continues to be their living mission.

# Eat • Shop • Stay

Why shop local? Studies have shown that when you buy from an independent, locally owned business, rather than nationally owned businesses, significantly more of your money is used to make purchases from other local businesses, service providers and farms. This continues to strengthen the economic base of the community.

Keeping our community unique, where we shop, where we eat and have fun, all of it makes our community home. Our one-of-a-kind businesses are a part of the character of Clifton. Our tourism business also benefits. When people go on vacation they generally seek out destinations that offer them the sense of being someplace, not just anyplace.

We are investing in Clifton. Local businesses are usually owned by people who live in the area, and are less likely to leave and take more time to invest in the community's future. So when it comes right down to it we should think local first—buy local when you can—

## Come celebrate Norwegian Heritage at the Norwegian Country Christmas Tour in Clifton this December!

The Clifton Chamber of Commerce

**2023**   
**Norwegian Country Christmas Tour**  
  
**A Tour of Homes, History, and Art!**  
**Saturday December 2, 2023**  
**clifontexas.org**

was officially deemed "The Norwegian Capital of Texas" in 1997, and the Norwegian Country Christmas Tour offers visitors a unique opportunity to glimpse into the Texas pioneer era in the idyllic landscape in which numerous nationally-acclaimed artists find not only their inspiration but also their home.

In the "Norwegian Capital of Texas," Clifton families celebrate the holidays with traditions that pioneering settlers brought with them from their homeland. Mingling the memories of the past with a new culture, The Norwegian Country Christmas Tour on December 2<sup>nd</sup>, 2023, reflects the richness of the heritage of Norse settlers, hospitality of a small Texas town, and the unique culture of a progressive arts community.

On Friday evening, December 1<sup>st</sup>, a Lighted Christmas Parade through historic downtown Clifton heralds the opening of the 31<sup>st</sup> annual festival. The delightful procession includes floats, carolers, fire engines, and Santa's arrival by Viking ship. Bosque Museum hosts a memorable Candlelight Reception following the Parade. The nearby Bosque Arts Center also welcomes guests on Friday evening for special performances, refreshments, artisan sales, and pictures with Santa among the spectacular holiday decorations.

On Saturday, December 2<sup>nd</sup>, tourists can acquire free copies of an event guidebook at local shops, purchase tickets at the Chamber of Commerce, and take a self-guided tour of a wide variety of events and interests. Clifton

Travel through the graceful valleys and limestone cliffs to discover where in 1854 a small group of Norwegian immigrants, including Cleng Peerson, "the Father of Norwegian Immigration to America," established a new home in the beautiful, wild valley just outside of present-day Clifton, Texas. The descendants of many of these original settlers continue to play a vital role in preserving their traditions, their stories, and their farms and churches. Explore churches and homes bedecked in holiday splendor, where hosts and hostesses regale stories of settlers, traditions, and of developing and sustaining this eclectic community.

The Bosque Arts Center presents "The Arts of Christmas Expo" during the festival. Special performances and sales throughout the weekend add to the popular attraction of the permanent galleries. Beginning Friday evening and continuing through Saturday, visitors to the BAC can enjoy extraordinary talents in a myriad of art genres. Clifton has been designated by the Texas Legislature as a Cultural Arts District, and the Bosque Arts Center stands as the polestar of the fine arts community. The Bosque Arts Center Quilt Guild hosts an exquisite collection of quilts in the Bosque Arts Center's Gallery.

Another popular venue to shop for gifts to tuck about the tree and souvenirs to remember your special day is Heritage Village. Here you will discover crafters and artisans displaying their wares of custom jewelry, wood carvings, toys, art, apparel, and more. Local specialties of cakes, cookies, jams, and candies delight shoppers...

Through the years Heritage Village has attracted artisans and crafters from across the country to demonstrate and sell their unique creations.

Some favorite tour locations are The Rock Church, Our Savior's Lutheran Church, and the Ringness House Museum. Visitors will have the opportunity to experience new sites as well. The newly opened Edwin Olsen Railroad Museum will be open for visitors in historic downtown. In addition to churches, shops, and area attractions, several spectacular private residences will be open to the public for the day.

Each year we showcase several beautiful houses and homes on the tour. This year we have three beautiful homes, Casa de Sooze, an adorable 1960 cottage that is decorated all things vintage, 3 R Farms is a beautiful and unique ranch house that was built by Homestead Heritage in 2020. It sits on top of a hill that overlooks the Bosque River Valley that is located on the north side of Clifton. Rock Ridge is a quiet piece of Bosque County beauty, this modern ranch style home was built in 2018 and faces the Bosque River Valley.

A traditional Norwegian luncheon made from cherished family recipes will be served from 11 a.m. until 1:30 p.m. at Clifton Civic Center served by the Cranfills Gap Chamber of Commerce. In charming downtown Clifton, shoppers can enjoy galleries, boutiques, antique shops, free horse-drawn carriage rides, dinner and drinks, and a visit from Santa Claus. Enjoy a fascinating and entertaining day in Clifton at the Norwegian Country Christmas Tour.
